THERMAL SOLUTIONS

Kelvion Thermal Solutions Service

OUR SERVICE FOR AIR DRYER & ECONOMIZER

INCREASE LIFE CYCLE INCREASE PERFORMANCE

KTS designs, manufactures and installs air dryers, air coolers and economizers, and provides world-class service. Regular maintenance is critical to maintaining reliable performance. From genuine spare parts to comprehensive retrofit and upgrade projects, KTS has the solution to keep your equipment up to date and fully functional.

Through our own production facilities and our worldwide partner network, we can supply any type of spare parts as well as heat exchangers. We want to increase the performance of your existing equipment by developing new solutions. Our experts support you in troubleshooting, in eliminating performance bottlenecks in your plant as well as in on-site technical support.

ALL BRAND SERVICE

Besides being experts in our own products and our former brands, we also have the expertise to service other brands.

YOUR TOP 5 CHALLENGES
